Dear Mr. Emery:

Now that the closure of the Belgrade Municipal Landfill is completed, I want to take this opportunity to commend you and your firm for a job well done. Paul Miller, our resident engineer, and I were very pleased with every aspect of your performance in completing the geomembrane installation at this site. In the future, I would certainly recommend RTD to clients and others for projects of similar scope.

Yours very truly,

DUFRESNE-HENRY, INC.
