RE: LANPHER RESERVOIR FLOATING COVER AND LINER
DEC PROJECT #93008-03
THE PITTSBURGH WATER AND SEWER AUTHORITY

Dear Dan,

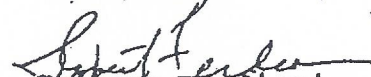

Your work at the Lanpher project is proceeding in an acceptable manner both in quality and schedule. It appears that we will be able to finish the project this calendar year, which should please the City of Pittsburgh.

We are looking forward to bidding future projects with your firm.

Keep up the good work.

Very truly yours,

GASA, INC.
